Looking for your next step in science?

Turbo-charge your research career with the Max Planck Croucher Fellowship for postdoctoral research in Germany.

About Max Planck Society

The Max Planck Society is one of Germany's leading research organisations in the field of basic research in the natural sciences, life sciences, social sciences and humanities. Since its foundation in 1948, 30 Nobel laureates have emerged from its ranks. The Max Planck Society with its 85 Max Planck Institutes and facilities is one of the international flagships for German science.
